WELCOME TO GRONINGEN

Dear potential partner,

We are delighted to invite you to team up with us to sponsor the The EPF European Polymer Congress, 22-27 June 2025, in Martini-Plaza Groningen.

The EPF European Polymer Congress is the most important European Conference in the area of Polymer Science and Technology. It is the main conference of the European Polymer Federation – EPF, which is an umbrella non-profit organization of almost all National Polymer Science Societies in Europe.

EPF was established in 1986 with 16 European Countries as founding members whereas today it includes 24 full and 4 associate members. The first EPF meeting was organized in Lyon in 1986 whereas the European Polymer Congresses were established as a large scale event in 2001 in Eindhoven. Since then, the European Polymer Congress has become a major Biennial Congress attracting an ever growing participation.

Sponsoring is crucial for fostering innovation, knowledge exchange, and professional development. We encourage sponsors, companies and exhibitors to use the The European Polymer Congress in Groningen as a vibrant and exciting platform for showcasing their products and services. As conference organizers we offer a broad range of excellent opportunities to become involved as sponsors and to highlight your brand and products at prime positions throughout the conference venue. We are devoted to help you with maximizing your visibility at this event. Please note that all exhibition and sponsorship opportunities will be allocated on a first come, first served basis.

For further information on the conference and the venue, please visit:

[EPF 2025 | European Polymer Congress 2025, The Netherlands](#)

For specific requests and propositions, please contact the Conference secretariat: epf@congressbydesign.com

With kind regards,

Katja Loos,
EPF2025 Chair

CONGRESS
BY DESIGN®

GENERAL INFORMATION

EPF in numbers

| | | |
|---------------------------------------|---|--|
| around 1000 participants | more than 350 oral presentations | 10 plenary speakers |
| more than 40 countries | more than 400 poster presentations | more than 50 invited speakers |

Conference venue

EPF will be hosted in the MartiniPlaza in Groningen, The Netherlands. As a lively university city, Groningen has the youngest average population in the Netherlands. It has a long and long history, which becomes evident from the historic warehouses, courts and buildings. Groningen is also a city with nerve, with the most numerous examples of innovative architecture within its boundaries. In addition, it was several times proclaimed the city with the best city centre in the Netherlands because of its charm.

Receiving more than 500,000 visitors every year, MartiniPlaza in Groningen is the largest event location of the Northern Netherlands for theater performances, conferences (national and international), trade fairs, entertainment and top sports.

MARTINIPLAZA
Leonard Springerlaan 2
9727 KB Groningen

SPEAKERS, TOPICS AND PROGRAM

PLENARY SPEAKERS

SPECIAL THEMATIC SESSIONS

will cover a wide array of topics, including:

- Advances in Polymer Synthesis
- Green polymer synthesis
- Supramolecular polymer systems, Dynamic networks and Vitrimers
- Polymers for Biological, Medical and Food Applications
- Physics, Physical Chemistry of Polymers
- Modern Characterization Techniques
- Rheology and Polymer Processing
- Additive Manufacturing
- Polymer systems for reduced carbon footprint
- Recycling Techniques & Design for Recycling
- Nanostructured Polymers, Composites, Blends and Soft Matter
- Theory, Modelling and AI Approaches of Polymers and their Properties

PROGRAM

SUNDAY 22 JUNE

Registration and reception

MONDAY 23 JUNE

Plenary, parallel and poster

TUESDAY 24 JUNE

Plenary, parallel and poster

WEDNESDAY 25 JUNE

Plenary, parallel and poster
Conference dinner

- Welcome reception
Sunday 22 June 2025
- Exhibition open from **Sunday 22 June** to **Friday 27 June 2025**
- Plenary sessions from **Monday 23 June** to **Friday 27 June 2025**
- Conference dinner
Wednesday 25 June 2025
- Dismantling Exhibition
Friday 27 June 2025 after program

2025

Why become a sponsor/exhibitor of EPF 2025?

The Local Organising Committee of the EPF 2025 extends a warm invitation to all interested companies, publishers, societies and organizations – to demonstrate their support for the Polymer Science and Technology field by participating in one or more of the options outlined in this document.

Elevate Your Organization's Profile

EPF 2025 provides a platform for you to showcase your brand, products, and services to a highly targeted audience. By becoming a sponsor, you can elevate your organization's profile, increase brand visibility, and solidify your position as a leader in the field.

Share Knowledge and Create Opportunities

Connect with industry professionals and experts to share insights, discuss trends, and forge strategic partnerships. EPF 2025 offers unparalleled networking opportunities, allowing you to create meaningful connections and generate leads that can drive business growth.

Connect with Your Target Audience

By sponsoring EPF 2025, you'll have the opportunity to engage directly with your target audience and gain valuable insights into their interests, objectives, and preferences. This deeper understanding can inform your marketing strategies and help you better meet the needs of your customers.

Access New Scientific Insights

Stay ahead of the curve by accessing the latest scientific insights and developments in the field. EPF 2025 brings together experts and thought leaders who are shaping the future of the industry, providing you with valuable knowledge and insights that can inform your business strategies.

Engage with Young Professionals

Connect with the next generation of talent and potential future employees. EPF 2025 attracts a diverse audience, including young professionals eager to learn and grow in their careers. By sponsoring the event, you can engage with this audience and position your organization as an employer of choice.

>>

SPONSOR OPPORTUNITIES

Speaking and Presentation Opportunities

Showcase your expertise and thought leadership by participating in speaking and presentation opportunities at EPF 2025. These platforms allow you to share your insights, promote your products and services, and establish your organization as a trusted authority in the field.

Access to Top Buyers and Decision-Makers

EPF 2025 is where industry leaders, top buyers, and decision-makers converge. As a sponsor, you'll have exclusive access to this highly-educated and influential audience, providing you with unparalleled opportunities to showcase your brand, products, and services.

Industry partnership is at the heart of this event

Our sponsorship packages have been carefully shaped to meet the commercial imperative of our industry partners. We provide a range of opportunities for name exposure, branding and networking.

Involvement in EPF 2025 is all about building brand awareness

Our exhibition hall for sponsors is positioned to capture maximum customer engagement during the coffee breaks and lunches. This is why the exhibition and the scheduled breaks are in the same area.

There are a range of opportunities to suit every budget, keeping your brand front of mind with participants. Sponsors will also benefit from enhanced brand exposure in web and printed collateral, before, during and after the event.

Meet new contacts and strengthen key relationships

Maximizing networking opportunities for our participants is an important priority. We work hard to provide places for formal and informal networking.

Don't miss out on the chance to connect with the industry's best and brightest. Become a sponsor of EPF 2025 today and position your organization for success!
